

# **SURPRISE VALLEY'S HISTORY** **PRESERVING AND SHARING**

We would like to develop and maintain a website on the Internet to preserve and share the history of the valley. This means the history of our valley will be available to anyone who has access to the Internet. This will only work if the website has things of interest to you. Therefore, we need your help in making sure the right things are on the website.

Here are some suggested topics. Please put a check mark (✓) next to the ones you agree with and add additional topics you are interested in.
